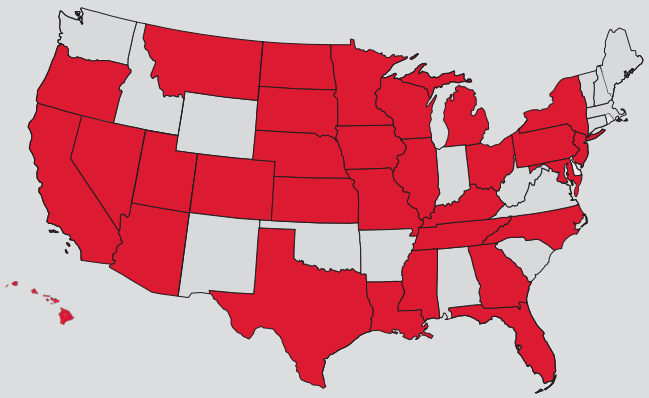
- NU has had a letterwinner from 47 of the 50 states, missing only Idaho, New Hampshire and Rhode Island.
- States with multiple players on the roster include: Nebraska (31), Florida (10), California (9), Texas (7), Missouri (5), Pennsylvania (5), Colorado (4), Georgia (4), Iowa (4), Arizona (3), Illinois (3), Maryland (3), New Jersey (3), Kansas (2), Louisiana (2), Mississippi (2) and Nevada (2).
- The states of Hawaii, Kentucky, Michigan, Minnesota, Montana, North Carolina, North Dakota, New York, Ohio, Oregon, South Dakota, Tennessee, Utah and Wisconsin are each represented with one player on Nebraska's 2026 roster.



MATT RHULE SET FOR FOURTH SEASON

Matt Rhule is in his fourth season at Nebraska in 2026. He owns a 66-62 record in his 10 seasons as a college head coach. He took on a rebuilding project in each of his three college stops and excluding his first year at each school, Rhule boasts a 58-34 record.

- Rhule has won 19 games in his first three seasons, matching Nebraska's win total from the five seasons prior to Rhule's arrival.
- Rhule has led Nebraska to back-to-back winning seasons for the first time in more than a decade.

NEW COORDINATORS HIGHLIGHT STAFF CHANGES

The Nebraska coaching staff will feature six new assistant coaches in 2026, including a new defensive coordinator.

- **Rob Aurich** is in his first season as Nebraska's defensive coordinator. Aurich has coordinated a top-25 defense at the FBS, FCS and Division II levels. In 2025, he coordinated a San Diego State defense that was sixth nationally in scoring defense.
- **Brett Maher** will serve as Nebraska's special teams coordinator in 2026, while **Nick Humphrey** will be the Huskers' co-special teams coordinator. Both coaches were on staff last year when Nebraska ranked in the top 25 nationally in blocked kicks, punt returns, punt return defense, kickoff returns and kickoff return defense.
- New faces on the offensive staff include **Lonnie Teasley** (run game coordinator) and **Geep Wade** (offensive line).
- Defensive assistants in their first season on the Cornhusker staff include **Corey Brown** (defensive line), **Roy Manning** (defensive edges) and **Tyler Yelk** (safeties). **Dave Tollefson** has also joined the staff as a defensive analyst who will work with the defensive line.

GRADUATES HIGHLIGHT ACADEMIC SUCCESS

Nine Huskers have already earned their degree, including eight players who earned their degrees from Nebraska and one player who joined the program as a graduate transfer.

- Under Coach Rhule's leadership, the Nebraska football team had a cumulative grade-point average of 3.304 after the spring 2025 semester which is the highest in school history. In addition, since Coach Rhule's arrival at Nebraska, the Huskers have had six consecutive semesters where their cumulative GPA was above a 3.200.
- NU led the Big Ten with 81 Academic All-Big Ten selections in 2025, 14 more than any other Big Ten school.
- Nebraska football has produced more Academic All-Americans (108) and more NCAA Impact Award winners (9) than any other team in any sport in NCAA history.

A LOOK AT NEBRASKA'S SCHEDULE

Nebraska will play three non-conference games and nine Big Ten contests in 2026. The Huskers will play Illinois, Indiana, Iowa, Maryland, Michigan State, Ohio State, Oregon, Rutgers and Washington. Nebraska will not play Michigan, Minnesota, Northwestern, Penn State, Purdue, USC, UCLA or Wisconsin.

- The 2026 season begins against Ohio (Sept. 5) before NU hosts Bowling Green (Sept. 12) and FCS opponent North Dakota (Sept. 19).
- Nebraska opens Big Ten play at Michigan State (Sept. 26) before hosting Maryland (Oct. 3) and Indiana (Oct. 10) on the first two Saturday of October. The Huskers' matchup with Indiana will mark the first time Nebraska has played the defending national champion since 2006, when the Huskers hosted Texas at Memorial Stadium.
- Nebraska has just two home games after Oct. 10. NU travels to Oregon on Oct. 17 then has its lone bye week of the season. The Huskers return home to host Washington on Halloween. NU then has back-to-back road trips to Illinois (Nov. 6) and Rutgers (Nov. 14).
- The Huskers' final home game is against Ohio State on Nov. 21. Nebraska closes the season at Iowa on Friday, Nov. 27, the 37th straight year the Huskers will play on Black Friday.

25 RETIRED JERSEYS

Following the 1949 season, the N Club voted to retire jersey No. 60 in honor of Tom "Train Wreck" Novak's stellar career with the Cornhuskers. Novak, the first Nebraska player to earn this honor, had been a four-time All-Big Seven choice and a 1949 All-American. Today, all major national award winners and College Football Hall of Fame inductees at Nebraska automatically have their jerseys retired, but their numbers will still be available to active Huskers.

HISTORY OF THE BLACKSHIRTS

One of Nebraska's most well-known traditions is the Blackshirts, the common nickname for the Husker defense. The term originally dates back to the early 1960s and refers to the black jerseys that Nebraska's first-string defenders wear in practice.

With the return of the two-platoon system in college football in 1964, Head Coach Bob Devaney looked for a way to distinguish the defensive units on the practice field. Devaney sent an assistant coach to a local sporting goods store to find "contrast jerseys", a sleeveless pullover that went on top of the players' practice jerseys. While the top offensive unit practiced in red jerseys and the second-string offense worked in green pullovers, the first-string defense wore black and the second string wore contrasting gold jerseys.

The term quickly caught on and then gained momentum during Monte Kiffin's tenure as defensive coordinator in the mid-1970s. The Blackshirts earned national recognition under Charlie McBride, who served as the Huskers' defensive coordinator from 1982 to 1999.

DEFENSIVE DOMINANCE

- Nebraska has ranked in the top 30 nationally in defense all three seasons under Matt Rhule. In that span, NU is one of only 10 programs nationally to rank in the top 30 in total defense in 2023, 2024, 2025.
- Nebraska has ranked in the top 10 nationally in total defense 22 times since 1964.
- Nebraska has ranked in the top 10 in scoring defense 23 times since 1964, including leading the nation in scoring defense in 1984 and 2009.
- Nebraska has ranked among the top 10 in all four major defensive categories (rush defense, pass defense, total defense and scoring defense) on five occasions, including national title seasons in 1994, 1995 and 1997, and most recently in 2009.
- Opponents have traditionally found moving the ball through the air difficult against the Blackshirts, as the Huskers have ranked in the top 10 in passing defense 19 times in the past five decades.

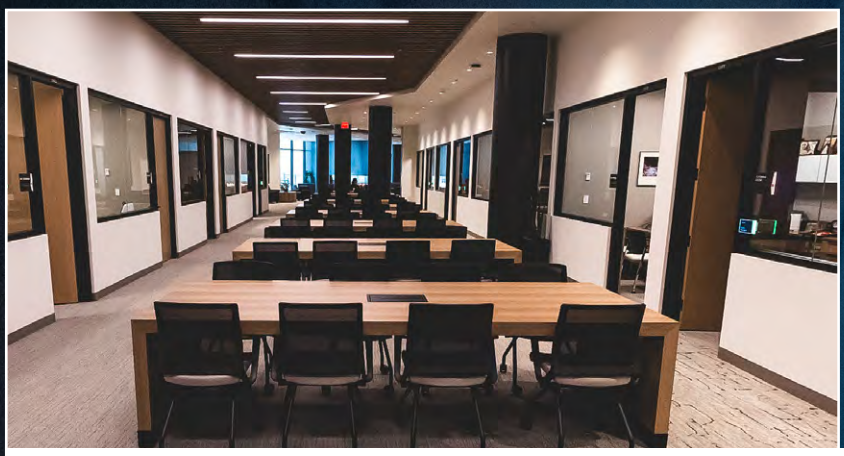
ACADEMIC EXPERIENCE



ABUNDANT WORK & STUDY HALL SPACES

PRIVATE TUTORING ROOMS

ACADEMIC COUNSELING
A team of 14 academic staff members are in place to monitor daily academic progress, promote skill development, receive consistent course feedback, assist with the advising/registration process and monitor eligibility and progress toward graduation.

TUTORIAL SUPPORT
A tremendous resource for all academic abilities, tutorial support is available from day one up to college graduation in all subject areas. Tutorial support is provided both in-person and virtually. Nebraska's tutorial program is certified by the College Reading and Learning Association.

STUDY HALL
Student-athletes attend a supervised study hall within the Osborne Legacy Complex that features day and evening hours. Student-athletes are required to complete a specific number of study hours each week and/or a list of academic tasks as determined by their academic counselor, learning specialist and coach.

MENTORING
Academic staff serve as mentors to all incoming student-athletes and select returning student-athletes. The student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information and discuss academic success strategies.

EDUCATIONAL ASSESSMENTS
Assessments are administered upon the request of the student-athlete, academic counselor or coach. A learning specialist is available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a neuropsychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

STUDENT-ATHLETE ORIENTATION
Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

PERSONAL COUNSELING
Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

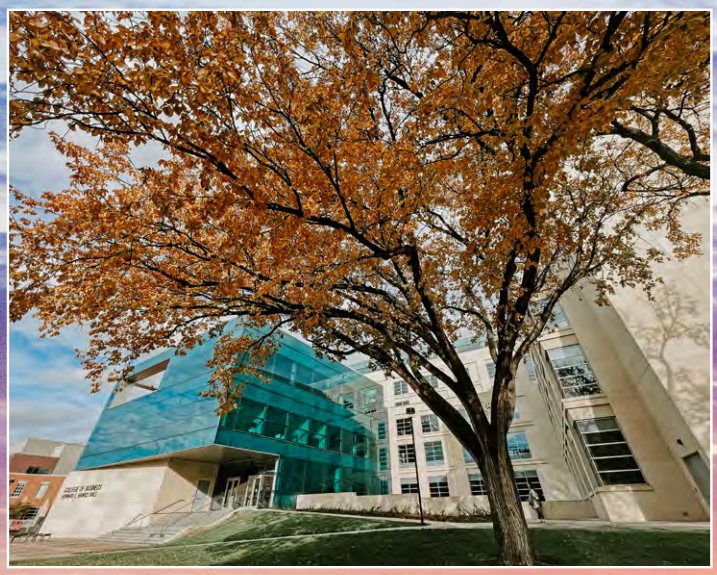
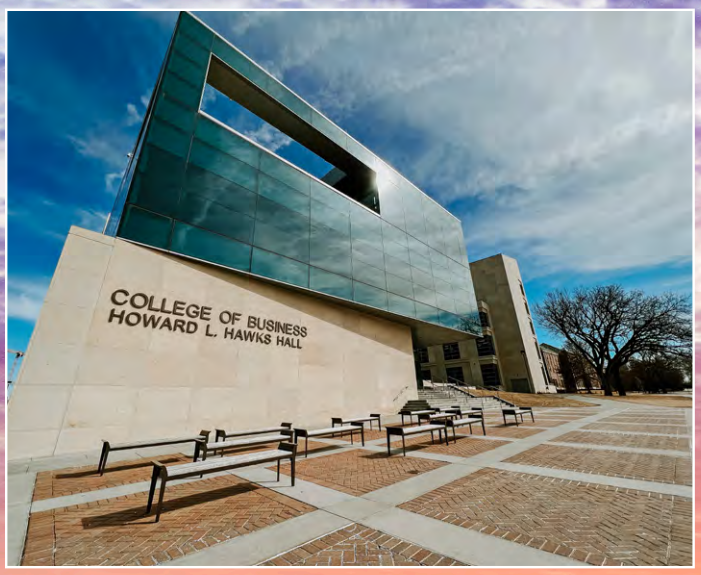
THE UNIVERSITY OF NEBRASKA





THE UNIVERSITY OF NEBRASKA

Chartered in Lincoln by the Nebraska Legislature in 1869, the University of Nebraska was expanded in 1968 into a university system now comprising four campuses under the guidance of a Board of Regents and a central administration. The flagship University of Nebraska–Lincoln is an educational institution of international stature. Nebraska is classified within the Carnegie "R1: Doctoral Universities – Highest Research Activity" category. Nebraska is also a land-grant university and a member of the Association of Public and Land-grant Universities. The university is accredited by the Higher Learning Commission.

BIG TEN ACADEMIC ALLIANCE

As a member of the Big Ten, the University of Nebraska–Lincoln is a member of the Big Ten Academic Alliance (BTAA), which is the academic consortium of the universities in the Big Ten Conference. The BTAA includes all 18 Big Ten Institutions and partners with the University of Chicago. Being in the Big Ten Academic Alliance gives Nebraska several advantages, including: access to library collections across the conference, reduced costs through tech collaborations, lower student costs on course materials through collective purchasing and licensing, and study abroad partnerships and course-sharing agreements — students can take courses across Big Ten institutions.

MATT RHULE

[HEAD COACH]

4TH YEAR | 14TH YEAR AS A HEAD COACH

[HONORS & AWARDS]

- **2019 Sporting News National Coach of the Year**
- **2019 AFCA Region IV Coach of the Year**
- **2019 Big 12 Coach of the Year**

Matt Rhule is in his fourth season as Nebraska's head coach in 2026. He has won as many games in three seasons (19) as the Huskers won in the five seasons before his arrival.

Rhule enters 2026 with 13 years of experience as a head coach, including 10 years in the college ranks and three seasons as the head coach of the NFL's Carolina Panthers. Highly regarded as a program builder and player developer, Rhule led successful turnarounds of the programs at Baylor and Temple and has either matched or improved Nebraska's record in each of his first three seasons in Lincoln.

Rhule's teams have increased or matched their win total from the previous season in each of his 10 seasons as a college head coach. Additionally, Rhule is one of just 12 active FBS head coaches to guide three different schools to bowl appearances.

After leading Nebraska to five wins in 2023, Rhule's second Nebraska team took another step forward with a 7-6 record in 2024. The seven wins were the most at Nebraska since 2016, and the bowl victory was the program's first since 2015. NU posted an unbeaten record against non-conference teams for the first time since 2005, and the Huskers were ranked as high as No. 22 during the season, Nebraska's highest ranking in eight years. Nebraska also found itself ranked in 2025, when the Huskers posted consecutive winning seasons for the first time in a decade.

The steady improvement at Nebraska follows the path of Rhule's success at Temple and Baylor. Temple won only two games in Rhule's first season but in year three, the Owls set a school record for victories before winning a conference title in his fourth season. Rhule moved on to Baylor with similar success. The Bears won only one game in Rhule's first season but in his third year, Baylor won a school-record 11 games and played in the Big 12 Championship Game and the Sugar Bowl.

HEAD COACHING CAREER

NEBRASKA: Rhule led Nebraska to a 5-7 record in his first season in 2023, tying for the program's most victories in seven seasons. In the final year of Big Ten divisions, Rhule led the Huskers to three West Division wins, matching NU's total from the previous three seasons combined. NU also went undefeated in the month of October for the first time since 2001.

Rhule and his staff helped Nebraska rank among the nation's 15 most-improved teams in rushing defense, rushing offense, total defense and scoring defense. The Huskers also showed improvement in special teams, ranking second nationally with four blocked kicks. Individually, Rhule and his staff helped 10 Huskers earn All-Big Ten honors, including seven returning players who were recognized for the first time in their careers.

Nebraska improved to 7-6 in Rhule's second season, when the Huskers posted the program's first winning season and first bowl victory in eight years. The Huskers were ranked as high as No. 22 during the 2024 season, and Nebraska went undefeated against non-conference opponents for the first time since 2005. Five of Nebraska's six losses were one-score defeats, but the Huskers also showed improvement in winning close games as two of their final three victories came by seven or fewer points.

The Husker defense ranked in the top 20 nationally in rushing defense, total defense and scoring defense for the second straight season in 2024. Other than Nebraska, the only teams ranked in the top 20 nationally in rushing defense, total defense and scoring defense in both 2023 and 2024 were Michigan, Ohio and Penn State. Offensively, Nebraska boasted the nation's third-most improved passing unit in 2024. That group was led by a pair of true freshmen, as quarterback Dylan Raiola set Nebraska's freshman passing record while receiver Jacory Barney Jr. had the most receptions by a freshman in program history.

Rhule's success was not limited to the field, as Nebraska posted its highest team grade-point average in history and had more academic All-Big Ten selections than any other school during the 2024 season.

In 2025, Nebraska finished with a 7-6 record and took on a top-15 opponent in a bowl game for the first time in 13 years. The Huskers began the season 6-2 before losing their starting quarterback to a season-ending injury. Offensively, Emmett Johnson led the nation in scrimmage yards per game and was the Big Ten Running Back of the Year and a first-team All-American. Defensively, Nebraska ranked in the top 30 nationally in total defense for the third year in a row.

CAROLINA PANTHERS: Following successful stints as the head coach at Baylor and Temple, Rhule moved on to the National Football League as the head coach of the Carolina Panthers. Rhule coached the Panthers for two-plus seasons, posting an 11-27 record.

Rhule inherited a Carolina team that had lost eight straight games to finish the 2019 season. He led the Panthers to a 3-2 start in 2020 before finishing with a 5-11 record that included eight one-score losses.

Carolina won its first three games of the 2021 season before injuries at the quarterback position contributed to a 5-12 record. Rhule then led the Panthers to a 1-4 record through the first five weeks of the 2022 season.

BAYLOR: Rhule produced an impressive turnaround in three seasons as Baylor's head coach from 2017 to 2019, guiding the Bears to a 19-20 record.

Baylor won only one game in Rhule's first season in 2017 but two years later, the Bears went 11-3, becoming the first team from a Power Conference to go from 11 losses to 11 wins in two or fewer seasons.

Baylor finished 1-11 in 2017 but Rhule was successful in creating a strong culture and developing players, including quarterback Charlie Brewer, who was named the Big 12 Co-Offensive Freshman of the Year.

In his second year, Rhule guided Baylor to a 7-6 record in 2018 capped by a Texas Bowl victory over Vanderbilt. Baylor's six-win improvement from the 2017 to the 2018 season ranked third nationally and led all Power Conference programs. His staff's player development was on display again, as wide receiver Jalen Hurd was named the 2018 Big 12 Newcomer of the Year.

Rhule delivered a record-breaking season in his final year in Waco. Just two years after a one-win season, Rhule led Baylor to a school-record 11 victories in 2019. The Bears began the season 9-0 to mark the best start in school history, and the season ended with Baylor playing in its first Big 12 Championship game and its second Sugar Bowl. With a second straight bowl appearance, Rhule became only the second coach in Baylor history to make a bowl game in two of his first three seasons.

With an 11-3 record in 2019, Baylor finished with a No. 13 ranking, the Bears' second-highest final ranking since 1951. The only losses in Rhule's final season were a pair of three-point defeats to a top-10 Oklahoma squad and a 12-point Sugar Bowl loss to a top-5 Georgia team.

Sixteen Baylor players earned all-conference honors in 2019, and defensive tackle James Lynch was named the 2019 Big 12 Defensive Player of the Year and Defensive Lineman of the Year.

TEMPLE: Rhule's first head coaching job came at Temple, where he led the Owl program to new heights in four seasons from 2013 to 2016. Rhule guided Temple to a 28-23 record, including 20-7 over his final two years.

Rhule once again laid the foundation in his first year, when Temple finished 2-10. After an 0-6 start, the Owls went 2-4 over the final six games and never trailed entering the fourth quarter in any of their final six games.

With an emphasis on closing out games entering Rhule's second season, his team succeeded by allowing only 23 fourth-quarter points in 12 games in 2014. The strong finishes helped Temple achieve bowl eligibility with a 6-6 record.

Temple tied its school record with 10 victories in Rhule's third season in 2015, and the Owls again won 10 games in 2016. He led Temple to back-to-back 10-win seasons for the first time in program history, as the Owls had produced only one 10-win season before Rhule's time as head coach. Temple also played for the conference title in both 2015 and 2016.

In 2015, Rhule led his team to a conference division title. The Owls started the year 7-0 and achieved a national ranking for the first time in 36 seasons. Temple spent eight weeks ranked in 2015, accounting for half of the 16 all-time weeks the Owls have been ranked entering the 2024 season.

Rhule's final season culminated with another 10-win campaign and the program's first conference title in nearly 40 years, as Temple defeated No. 20 Navy, 34-20, in the American Athletic Conference Championship Game.

ASSISTANT COACHING CAREER

NEW YORK GIANTS: Rhule's most recent season as an assistant coach came in the NFL, as he was an assistant offensive line coach with the New York Giants in 2012. The Giants finished 9-7 that season, and Rhule's work with the offensive line helped New York have a 3,000-yard passer, a 1,000-yard rusher and a 1,000-yard receiver.

TEMPLE: Rhule was on the Temple staff for six consecutive seasons from 2006 to 2011. He joined the Owls as the defensive line coach but moved to coaching quarterbacks the next season. Rhule served as Temple's offensive coordinator and quarterbacks coach from 2008 to 2010, and he was the assistant offensive coordinator and tight ends coach for his final season in 2011.

In 2011, the Owls went 9-4 and won their first bowl game since 1979. For the second time in Rhule's tenure, Temple set a school record for single-season rushing yards and rushing touchdowns. Temple originally set school records for season rushing yards and offensive all-conference selections in 2009, when Rhule was in his second season as offensive coordinator.

In his first season as offensive coordinator in 2008, Rhule's unit helped the Owls to their most wins (5) in nearly two decades. Temple outscored its opponents for the first time in 18 seasons, and Bruce Francis established the school record for career receiving touchdowns.

In addition to his coaching duties, Rhule served as Temple's recruiting coordinator in 2007 and 2011. The Owls landed the No. 1 recruiting class in the MAC in each of those seasons.

WESTERN CAROLINA: Rhule coached at FCS Western Carolina from 2002 to 2005, holding a variety of titles during his time as a Catamount. He was the assistant head coach for his final three seasons on staff, as Rhule took on additional duties while head coach Kent Briggs battled cancer.

Rhule coached the offensive line, special teams and linebackers during his tenure, while also serving as the running game coordinator in 2005. Western Carolina ranked 12th in the FCS in total defense in 2004, led by Rhule's linebackers who occupied the top five spots on the team in tackles. As the special teams coach, Rhule's unit led the FCS ranks in kickoff return average (27.4) in 2005.

UCLA: In an impressive rise up the ranks, Rhule landed a Power Five assistant coaching position in just the fourth season of his coaching career. Rhule was the assistant defensive line coach at UCLA in 2001, when the Bruins started 6-0 with four wins over ranked opponents. UCLA ranked in the top 25 nationally in total defense in Rhule's lone season on staff.

BUFFALO: Rhule coached the linebackers at the University of Buffalo for two seasons in 1999 and 2000, which marked the Bulls' first two seasons transitioning to the FBS level from the FCS ranks.

Aurich has made a rapid rise up the ranks in his first 12 coaching seasons. He began his career at the Division II level, spending four seasons at Bemidji State from 2014 to 2017. Aurich then spent six seasons (2018-23) in the FCS before coaching at San Diego State in 2024 and 2025. Aurich has served as the defensive coordinator at the Division II, FCS and FBS levels and has produced a top-25 defense at each stop.

In his first year as an FBS defensive coordinator in 2025, Aurich helped the San Diego State defense post a dominant season. The Aztecs led the country and set a Mountain West Conference record with three shutouts in 2025 while holding eight of their 12 regular-season opponents to 10 or fewer points. During the regular season when Aurich led the defense, SDSU ranked in the top 10 nationally in 10 categories. At the conclusion of the regular season when Aurich left for Nebraska, San Diego State owned the fifth-best scoring defense in Mountain West history and the top scoring defense at San Diego State since 1976.

The scoring defense was a 17 points per game improvement over 2024.

In the 2025 regular season, San Diego State was just the ninth team in Mountain West history to allow fewer than 270 yards per game, while the team's scoring defense was the fifth best in conference history. Including the bowl game - which Aurich did not coach - the Aztecs became just the second San Diego State team in 40 seasons to allow 200 or fewer total points. Aurich's unit ranked fifth in the country by allowing only 4.4 yards per play in 2025. The Aztec defense also ranked second in the country in pass efficiency defense, third in red zone defense, fifth in defensive touchdowns, sixth in scoring and pass defense, 10th in first-down defense, 11th in total defense, 13th in third-down defense,14th in interceptions and 25th in sacks.

E.J. Barthel is in his fourth season as Nebraska's running backs coach in 2026. Barthel is in his seventh season on Matt Rhule's staff overall, having previously coached under Rhule with the Carolina Panthers and at Temple. Barthel also serves as Nebraska's director of football evaluation.

Barthel is in his 13th season of coaching in 2026, and he has put together a diverse resume having served in recruiting and player development roles in addition to being a running backs coach. Barthel has Big Ten experience at Nebraska, Rutgers and Penn State, and he coached for two seasons in the National Football League.

A New Jersey native, Barthel has a reputation as one of the top recruiters in the Northeast and specifically the New Jersey area. In his lone season at Penn State, he helped the Nittany Lions secure the No. 6 recruiting class in 2018.

As a running backs coach, he has helped both Nebraska and UConn rank in the top 35 nationally in rushing over the past four seasons. In 2025, Barthel produced a first-team All-America running back at Nebraska for the first time in more than 40 years, as Emmett Johnson led the Big Ten in rushing and led the nation in scrimmage yards per game.

NEBRASKA (2023-25)

Nebraska's running back room was hit hard by injuries during Barthel's first season in 2023. Despite the injuries, the Huskers averaged 176.8 rushing yards per game, ranking second in the Big Ten in rushing.

Gabe Ervin Jr. and Rahmir Johnson - the top two running backs on Nebraska's depth chart - were both lost to season-ending injuries in the third game of the year. Ervin and Johnson each averaged more than 5.0 yards per carry in their three games, which included two road games against Power Five opponents. Following the injuries to Ervin and Johnson, Barthel helped Anthony Grant and Emmett Johnson each rush for more than 400 yards. Johnson rushed for 411 yards on 90 carries after entering the year with zero career carries. Barthel also helped Joshua Fleeks make a mid-season transition from wide receiver to running back, and Fleeks produced a 77-yard touchdown run against Michigan, the first run of 70 yards allowed by the Wolverines in four seasons.

In 2024, Nebraska's running backs put up big numbers on the ground and in the receiving game. Dante Dowdell scored 12 rushing touchdowns, the most by a Husker running back in six seasons. Dowdell rushed for 614 yards while Emmett Johnson had 598 rushing yards, as both players set career highs in rushing yards. Johnson also caught 39 passes, the fourth-most season receptions by a running back in program history and the most in 18 years. Johnson also led Nebraska with 908 all-purpose yards. Barthel helped Rahmir Johnson earn MVP honors in the Pinstripe Bowl, when Johnson reached 1,000 career rushing yards.

Emmett Johnson had a historic junior season under Barthel in 2025. Johnson rushed for 1,451 yards and 12 touchdowns and added 46 receptions for 370 yards and three scores. Johnson led the nation in scrimmage yards per game (151.8) and all-purpose yards per game (151.8), ranked second in total yards from scrimmage (1,821) and receptions by a running back (46), fourth in rushing yards (1,451) and rushing yards per game (120.9), sixth in carries (251), 11th in receiving yards by a running back (370) and 17th in total touchdowns (15).

Johnson was selected as the Big Ten Running Back of the Year and a first-team All-American for his performance in 2025. He became the first Husker running back to be a first-team All-American since Heisman Trophy winner Mike Rozier in 1983.

Brown is also a proven developer of talent. In his three seasons on the Miami (Ohio) staff before he came to Nebraska, Brown produced a different first-team all-conference defensive lineman each year. Brown has also coached a player who ranked in the top 25 nationally in either sacks or tackles for loss each of his last three seasons.

In 2023, three of Brown's defensive linemen had at least 8.0 sacks and finished in the top five in the MAC in sacks with first-team all-conference pick Caiden Woulllard ranking 25th nationally in sacks. The disruption of the defensive line helped the RedHawks rank eighth nationally in scoring defense, and Miami allowed just 86 points in eight conference games, the fewest allowed by a MAC team since 2000.

Brown also spent four seasons coaching the Miami defensive line from 2014 to 2017. He coached four players to a total of five all-conference accolades in his first stint at Miami, and the RedHawks totaled 89 sacks in his four seasons.

Rob Dvoracek is in his fourth season as Nebraska's linebackers coach in 2026. Dvoracek came to Nebraska after spending two seasons coaching in the National Football League, and he has spent eight of his 10 seasons on a Matt Rhule staff.

A talented young coach, Dvoracek has experience at two Power Four programs in addition to being an NFL assistant. He also boasts previous experience being part of a program rebuild, as Dvoracek spent two years at Baylor during the Bears' three-year turnaround from a one-win season in 2017 to an 11-win season in 2019.

Nebraska has ranked in the top 30 nationally in total defense in each of Dvoracek's first three seasons on staff. The Huskers are one of only five teams in the country who ranked in the top 30 in total defense in 2023, 2024 and 2025. Dvoracek's ability to develop players helped key Nebraska's defensive success, as he helped a different former walk-on earn All-Big Ten honors in both 2023 and 2024.

NEBRASKA (2023-25)

Dvoracek has been a key reason Nebraska has excelled defensively in his three seasons on staff. Over the three-year stretch from 2023 to 2025, Nebraska ranks 12th nationally in total defense, 13th in pass defense, 21st in rushing defense and 22nd in scoring defense. Nebraska has held 42 percent of its opponents to 14 or fewer points in Dvoracek's three seasons on staff.

In his first season at Nebraska in 2023, Dvoracek and his linebackers helped NU finish with its best rushing defense, total defense and scoring defense in the Big Ten era (since 2011). Dvoracek's linebackers were a key part of a stout Nebraska defense in 2023. The Blackshirts ranked eighth nationally in rushing defense, allowing the program's fewest rushing yards per game (92.9) since 1999. The Husker defense also ranked 11th in total defense and 13th in scoring defense, posting the program's highest national finish in those categories since 2010 and 2011, respectively.

The Husker linebacking corps featured four of Nebraska's six leading tacklers in 2023. Luke Reimer, a third-team All-Big Ten selection, battled injuries to record 48 tackles in 2023, including 7.5 tackles for loss and 5.0 sacks. Javin Wright flourished under Dvoracek's coaching, ranking second on the team with 51 tackles after entering the year with nine tackles in his first four seasons. John Bullock saw similar success, totaling 50 tackles after recording six tackles in his first four seasons. Nick Henrich added 42 tackles before suffering a season-ending injury. The quartet of Reimer, Wright, Bullock and Henrich combined for 191 tackles, 16.0 TFLs and 9.0 sacks.

In 2024, Dvoracek helped Nebraska rank eighth nationally in rushing defense, 17th in scoring defense and 18th in total defense. Bullock completed his journey from walk-on to all-conference performer in his final season, as he was an honorable-mention All-Big Ten selection. Bullock set career highs with 70 tackles, 10.0 tackles for loss, 4.0 sacks, five pass breakups and one interception, which he returned for a touchdown.

In 2025, Wright had a career season en route to honorable-mention All-Big Ten accolades. He led Nebraska with 86 tackles, 9.0 tackles for loss and 3.0 sacks. Wright recorded 76 tackles in Big Ten play, a total that ranked fifth in the league. Vincent Shavers Jr. also had a strong season under Dvoracek's tutelage, as the sophomore totaled career highs of 61 tackles and 7.5 TFLs.

SAN DIEGO STATE: Manning spent the 2025 season as the defensive edges coach at San Diego State, which boasted one of the nation's top defenses in Manning's lone season on staff.

In 2025, San Diego State led the country with three shutouts and held eight of its 12 opponents to 10 or fewer points, including five opponents who were held out of the end zone. The three shutouts were the most in Mountain West Conference history. During the regular season when Manning was on staff, the Aztecs allowed only 266.7 yards and 12.6 points per game.

Overall, San Diego State ranked second in the country in pass efficiency defense in 2025, third in red zone defense, fifth in defensive touchdowns, sixth in scoring and pass defense, 10th in first downs defense, 11th in total defense, 13th in third-down defense, 14th in interceptions and 25th in sacks.

In a Big 12 championship season in 2020, Oklahoma ranked third nationally in interceptions and fourth in third-down defense thanks in large part to the play of Manning's cornerbacks.

But with Manning's help, Michigan posted top-20 rankings in total defense, pass defense and scoring defense both his seasons on staff.

Satterfield is in his 10th season on a Matt Rhule staff, having coached under Rhule at each of Rhule's four head coaching stops. Satterfield is in his 28th season overall, including two years as the head coach of Tennessee Tech.

As an offensive coordinator, Satterfield helped South Carolina post impressive numbers in 2022, when the Gamecocks finished with the third-most passing yards in school history, the fourth-most points and sixth-most total yards. At Nebraska, Satterfield's offense ranked second in the Big Ten in rushing in 2023.

Satterfield also helped Thomas Fidone II get selected in the 2025 NFL Draft, becoming the first Husker tight end drafted since 2002.

NEBRASKA (2023-25)

Satterfield coordinated a Nebraska offense that averaged 176.8 rushing yards per game in 2023 to rank second in the Big Ten. The Huskers also had the 14th most-improved rushing offense in the country.

Nebraska's offense was fueled by explosive plays in 2023. NU led the Big Ten in runs of 40, 50, 60 and 70 yards, while ranking ninth nationally in runs of 40 yards or longer. Nebraska also ranked second in the Big Ten in offensive plays of 50 yards or longer. On the season, 60 percent of Nebraska's passing and receiving yards came from players who entered the year with zero career pass attempts or receptions.

Shorts is in his ninth season as a college coach, eight of which have been spent with Holgorsen. Before joining Nebraska, Shorts spent the previous four seasons as a wide receivers coach at Houston (2021-23) and Kentucky (2024).

At Houston, Shorts tutored Tank Dell who earned All-America honors after leading the nation with 109 catches in 2022. Shorts was a standout receiver himself who ranks fifth all-time at West Virginia in career receptions and sixth in career receiving yards.

In his first season at Nebraska, three of Shorts' receivers had five touchdown receptions. That marked the first time in Husker history that three players had five touchdown catches in a season.

NEBRASKA (2025)

Shorts' wide receivers combined for 17 touchdown catches in 2025 after NU wideouts had just 15 touchdown receptions in the 2023 and 2024 seasons combined. The wide receivers also helped Nebraska set a season record for completion percentage.

The Huskers' top three wide receivers in 2025 were all in either their first or second year in the program. That trio combined for 127 catches, 1,553 yards and 15 touchdowns. DEVANEY. OSBORNE

TOM OSBORNE

HEAD COACH, 1973-97
RECORD: 255-49-3 (.836, 6TH ALL-TIME)

The field inside Memorial Stadium is called Tom Osborne Field in honor of a man, who in 25 seasons, built a total program based on more than winning.

Osborne's coaching career came to a poetic end in the 1998 Orange Bowl. In his final game, the Huskers defeated No. 3 Tennessee, 42-17, giving him a share of a third national title in his final four seasons. The victory left Osborne as the first coach in college football history to retire as a reigning national champion, along with the nation's best active winning percentage (.836, 255-49-3), which ranks sixth all-time among Division I coaches.

Osborne guided the Huskers to back-to-back titles in 1994 and 1995, then capped his career by sharing the 1997 title with Michigan. Nebraska's back-to-back national titles in 1994-95 made Osborne the first coach to accomplish that feat since Bear Bryant in 1978-79. Under Osborne, NU became just the second school all time to post back-to-back perfect national championship seasons. In fact, Osborne's last five Nebraska teams put together the best five-year run in collegiate football history with an amazing 60-3 record.

Osborne-coached Nebraska teams captured 13 conference crowns and all 25 of his Husker teams won at least nine games and went to a bowl. Achievements of that magnitude earned Osborne an immediate ticket to the College Football Hall of Fame in December of 1998, after it waived the customary three-year wait for entrance into the hall. The Memorial Stadium field was re-named Tom Osborne field in 1998.

A Hastings, Neb., native, Osborne served Nebraska for three terms in the U.S. House of Representatives. Osborne also served as Nebraska's Athletic Director from 2007 through 2012.

BOB DEVANEY

HEAD COACH, 1962-72
RECORD: 101-20-2 (.829, 12TH ALL-TIME)

One man tops the list of people responsible for the success of the University of Nebraska athletic teams – Bob Devaney. For 35 years he was the driving force behind the University of Nebraska championships, first as a Hall of Fame football coach (1962-72), then as Athletic Director (1967-93) and Athletic Director Emeritus (1993-96). Devaney retired in 1996 and lived in Lincoln until he passed away at the age of 82 on May 9, 1997.

Devaney's mark will remain forever. The memories of the storybook national championship seasons of 1970 and 1971 will continue to inspire generations of Husker fans for years to come. His commitment to building one of the nation's best athletic programs is reinforced with every athletic and academic honor earned by Husker student-athletes.

From the time he took over athletic director duties in 1967, to his final year in 1993, his vigor, enthusiasm and administrative excellence earned him a reputation as one of the nation's outstanding athletic directors. Those characteristics helped make him a football coaching legend. A 1981 inductee into the National Football Foundation and College Football Hall of Fame, Nebraska developed one of the nation's most successful all-around athletic programs under Devaney's leadership.

During his 11-year stint as Husker football coach, Devaney's teams won 101 games, lost only 20 and tied two for an .829 winning percentage. His career mark of 136-30-7 (.806) ranked him as the nation's winningest active coach at the time of his retirement in 1973. Today, he ranks 12th on the all-time list, six spots behind the man he tabbed as his replacement, Tom Osborne.

In all, his Husker gridiron teams won eight Big Eight titles and two national championships (1970, 1971) and went to nine bowl games. He had three straight Orange Bowl wins, two Outland Trophy winners, a Lombardi Award winner and a Heisman Trophy winner. Twice his teams won four consecutive Big Eight titles, 1963-66 and 1969-72.

NCAA IMPACT AWARD WINNERS (9 FOOTBALL WINNERS; 19 TOTAL)

The newly reimagined NCAA Impact Award - formerly known as Today's Top 10 - celebrates the very best of college athletics by honoring one exceptional male and one exceptional female senior student-athlete from each of the NCAA's three divisions.

These distinguished honorees exemplify the highest standards of athletic excellence, academic achievement and service to their campuses and communities. Chosen by the NCAA Awards Committee - composed of leaders from NCAA member schools and conferences, as well as nationally renowned figures including past award recipients - the NCAA Impact Award represents the pinnacle of student-athlete recognition.

Nebraska earned its NCAA-leading 19th Impact Award in 2026 when track and field standout Micaylon Moore took home the honor. Nebraska's 19 Impact Award winners are the most of any school in NCAA history.

The Husker football program has nine of Nebraska's 19 Impact Award winners, the most of any single sport in NCAA history. The most recent football player to earn an Impact Award was All-America rush end Grant Wistrom, who was a 1998 honoree. In the 1990s, six Husker football players were honored with the Impact Award.Two Huskers received the award in 1990 and 1991, amrking the first two times a school had more than one student-athlete honored.

Nebraska's success in the classroom also extends to other sports. Four Husker volleyball players, three men's gymnasts, one women's gymnast, one women's tennis player and one men's track and field athlete have also claimed the honor.

VARSITY LETTERMAN LIST

NOTE: The following list is as complete and accurate as historical records allow. Corrections and additions will be made if documentation is provided. In each entry, the year is listed for each letter won. For example in the listing for Willard Burnham, the years are 1924-26, meaning Burnham lettered in 1924 and 1926 but not in 1925. Lettermen lists are not available for the 1890, 1891 and 1895 seasons. Players are listed by hometown and the last position they played at Nebraska.

136 YEARS OF NEBRASKA FOOTBALL

Notes on the Associated Press Poll: The rankings indicated in all instances below are at game time, with Nebraska's to the left of the slash and the opponent's to the right. If a slash is alone, neither team was ranked at game time. Early-season games from 1936 to 1949 have no slash because the first polls in those seasons were not taken until after the season began. From 1936 to 1960 and 1968 to 1988, AP ranked the top 20 teams, from 1961 to 1967 the top 10, and since 1989, the top 25. The source for the weekly rankings from Oct. 19, 1936, through Jan. 3, 1984, is Football Rankings, College teams in the Associated Press Poll, 1936-1984, compiled by Lowell R. Greunke (Jefferson, N.C.; McFarland & Co., Inc., 1984).

COACH ERNEST E. BEARG

(Illinois) 23-7-3 (.742), 1925-28

Ernest E. Bearg won Nebraska's first Big Six title in 1928 when his team went 7-1-1. Despite fielding powerful teams during his four years, fans criticized him for not using strategy and deception, which eventually led to his resignation. Bearg also spent one year as men's basketball coach (1926) and posted an 8-10 record.

NEBRASKA IN THE POLLS

The Associated Press poll began in 1936 and Nebraska came in at No. 15 in the first-ever regular-season poll on Oct. 24. The Huskers finished with a No. 9 national ranking that year. From 1936 through 1949, the AP polls did not come out until October. Beginning in 1950, AP polls were issued weekly throughout the entire regular season. Until 1964, all final rankings were based on regular-season finishes and did not include bowl game results. In 1965, the AP final rankings became post-bowl rankings (with the exception of 1966). In 1974, the UPI final ranking also became post-bowl, and since then all final rankings have included bowl results. The AP has tracked its all-time poll rankings based on finish in each of its final polls. NU checks in at No. 8 in the All-Time AP Poll. Nebraska's streak of appearing in 348 consecutive polls from 1981 to 2002 remains an AP Poll record.

COACH TOM OSBORNE

(Hastings, 1959) 255-49-3 (.836), 1973-97

Tom Osborne was hand-picked by Bob Devaney as his successor and served as assistant head coach in 1972. Osborne is credited as the offensive genius behind Devaney's national championship teams and served as a full-time assistant from 1967 to 1972. Osborne won back-to-back national championships in 1994 and 1995, and a third national title in 1997. During his 25 seasons, Nebraska won 13 conference championships and went to 25 consecutive bowl games, including 17 "major" bowls. His teams won nine or more games every year and 11 national rushing titles. His athletes won six Outlands, three Lombardis, one Heisman, one Butkus and one Johnny Unitas Award. He reached 200 (21 seasons) and 250 wins faster than any coach in college football history. In his last five seasons, Osborne's teams posted a 60-3 record, the most wins in a five-year span by any team in collegiate history. He served as Nebraska's Athletic Director from 2007 to 2012.

COACH FRANK SOLICH
(Nebraska, 1966) 58-19 (.753), 1998-03

Frank Solich was named Tom Osborne's successor on Dec. 10, 1997. He guided NU to a 12-1 record, Big 12 Championship and No. 2 final ranking in the coaches poll in 1999. In 2001, Solich led the Huskers to an 11-2 record and an appearance in the BCS title game in the Rose Bowl. In 2003, Solich coached Nebraska to a 9-3 regular-season record, but did not coach NU in the Alamo Bowl, as defensive coordinator Bo Pelini served as interim head coach. Solich was inducted into the College Football Hall of Fame in 2024. Solich was a member of Bob Devaney's first recruiting class in 1962. As a fullback, Solich earned All-Big Eight honors in 1965 and was the first Husker to rush for 200 yards in a game.

COACH SCOTT FROST

(Nebraska, 1997)
16-31 (.341), 2018-22

Scott Frost returned to his alma mater in 2018 as the fifth former Husker player to return as Nebraska's head coach. Frost came to Lincoln with two years of head coaching experience at UCF, where he posted the greatest two-year turnaround in college football history. Frost inherited an 0-12 UCF team and took the Knights to a perfect 13-0 season in his second and final year, when he was the national coach of the year. Previously, Frost spent seven seasons at Oregon - including three as the Ducks' offensive coordinator - and two years at Northern Iowa.

Note: The 2020 season was shortened due to the COVID-19 pandemic. The original 12-game schedule was changed to a 10-game conference-only schedule on Aug. 5 before the season was postponed on Aug. 11. On Sept. 16, a nine-game schedule was released, and the Huskers played eight games, as the Wisconsin game was canceled by the Badgers due to COVID-19.

The Big Ten prohibited ticket sales for the entirety of the 2020 season, with attendance limited to players' and coaches' families. As a result of that decision, Nebraska did not keep attendance figures for the season and paused its then-375-game home sellout streak.

* Interim President

Jeffrey P. Gold, M.D., became the ninth president of the University of Nebraska System on July 1, 2024, following a national search by the Board of Regents.

As president, Gold leads a four-campus university system that enrolls nearly 50,000 students and employs 16,000 faculty and staff on campuses in Lincoln, Omaha and Kearney, plus academic divisions and research and extension centers across the state. He serves as chief spokesman and chief executive officer for the system, which operates on a $3 billion annual budget and includes a flagship Big Ten institution, a world-renowned academic health sciences center, Division I athletics programs, and preeminent institutes focused on water and agriculture, national security and defense, infectious disease and early childhood education.

He is a nationally recognized higher education and health care leader and advocate. He was the chancellor of the University of Nebraska Medical Center (UNMC) and board chair for the Nebraska Medicine Health System from 2014 to 2024. As UNMC's chief operating officer, Dr. Gold was responsible for all aspects of campus leadership, program quality and operation—including 7 colleges, 37 institutes and centers, 5,429 faculty and staff and 4,700 health professions students.

In July 2021, Dr. Gold was named the Provost and Executive Vice President of the University of Nebraska System in addition to his ongoing UNMC/Nebraska Medicine responsibilities. In this role, he served as the chief academic officer of the University of Nebraska System and liaison to the Board of Regents for academic affairs. From May 2017 through June 2021, Dr. Gold served as the chancellor of the University of Nebraska at Omaha, the state's only public metropolitan university—a role he held concurrently with being UNMC's chancellor.

He holds tenured faculty appointments in UNMC's College of Medicine and in the College of Public Health, where his research interests in health care policy, population health and epidemiology are concentrated. He has authored over 200 peer-reviewed manuscripts, 350 national presentations, 40 books and chapters and engaged in over 300 invited professorships and keynote presentations.

Dr. Gold is a first-generation student; he graduated from the Cornell University College of Engineering with a bachelor's degree in Theoretical and Applied Mechanics. He earned his M.D. from the Weill Cornell College of Medicine and completed his general surgery residency at The New York–Presbyterian Hospital and Memorial Sloan Kettering Cancer Center. He completed his cardiothoracic surgical fellowship training at the Brigham and Women's Hospital in Boston, with additional training in pediatric cardiac surgery at the Boston Children's Hospital, both of the Harvard Medical School.

He has been certified by the American Board of Surgery and by the American Board of Thoracic Surgery, specializing in adult and pediatric cardiac surgery. Dr. Gold is licensed in Nebraska, Ohio, New York and New Jersey.

Dr. Gold leads several key economic development boards for the State and the University System, including the Greater Omaha Chamber, University Tech Development Corp, the University Tech Transfer Corp, and UNeTech Corp.

His national leadership roles have included more than 50 national professional committees and more than 100 national organizations, volunteer boards, government and public health councils. He has worked extensively with national- and state-level elected and appointed governing and administrative bodies as an advisor and trusted resource in the areas of higher education, research and clinical care.

Dr. Gold has been married for more than fifty years to a medical school classmate. They have two adult children and two grandchildren.

UNIVERSITY BOARD OF REGENTS

The Board of Regents consists of eight voting members elected by district for six-year terms, and four non-voting student Regents, one from each campus, who serve during their tenure as student body president. The board supervises the general operations of the university, and the control and direction of all expenditures. The board also includes a corporation secretary who manages all records including agendas, minutes, notices, policies and bylaws. Those documents can be found on the web at nebraska.edu/board.

The board meets regularly, primarily in Lincoln but also in Omaha and greater Nebraska. Persons wishing to provide information to the board or to appear before it should contact: Corporation Secretary, University of Nebraska, Varner Hall, 3835 Holdrege, Lincoln, NE 68583.

UNIVERSITY OF NEBRASKA-LINCOLN ADMINISTRATION

KATHERINE ANKERSON

[INTERIM CHANCELLOR]

Katherine "Kathy" Ankerson currently serves as interim chancellor of the University of Nebraska–Lincoln. Her appointment was announced Jan. 5, 2026 and she began the interim role on Jan. 12, 2026.

Ankerson previously served as UNL's executive vice chancellor from January 2022 until her retirement on Dec. 31, 2024. She was appointed to that role following an internal search in 2021. Her career in higher education spans 35 years, including 24 years at UNL.

Prior to serving as executive vice chancellor, Ankerson was dean of the College of Architecture from 2016 to 2022, where she led a comprehensive revitalization of the college. Under her leadership, the college experienced significant gains in faculty achievement and student success, including 24% of architecture faculty earning the highest academic and professional honors, an increase in the six-year graduation rate from 50.9% to 71.9%, and five-year employment rates for graduates consistently ranging between 95% and 100%.

Earlier in her career at UNL, Ankerson served as a professor and associate dean in the College of Architecture from 1996 to 2011. She has also held academic positions at Radford University and Washington State University and served as professor and head of interior architecture and product design at Kansas State University.

An award-winning author and educator, Ankerson was named the International Interior Design Association's 2020 Educator of the Year. She is a strong advocate for interdisciplinary and cross-disciplinary engagement, the value of design and making, and the integration of emerging technologies to strengthen traditional design practices. Her leadership emphasizes inclusive innovation and celebrates excellence across academic disciplines.

Among her notable initiatives, Ankerson led the 20th Anniversary Nuckolls Lighting Grant, a collaborative project involving nine educators across architecture, interior design, engineering, and lighting design from four major universities. The effort produced the award-winning, web-based resource Lighting Across the (Design) Curriculum.

An architect and designer by training, Ankerson earned a Bachelor of Science, Bachelor of Architecture, and master's degree from Washington State University.

*Interim Co-Directors

A respected leader in collegiate athletics with deep Midwestern roots, Troy Dannen is in his third year as Nebraska's Director of Athletics. Dannen guides Nebraska's 25-sport athletic department that ranks among the nation's most successful programs both athletically and academically.

Since arriving in March of 2024, the Huskers have post three straight top-25 finishes in the Learfield Director's Cup, marking the first time Husker Athletics has accomplished that feat in more than two decades.

The Huskers enjoyed broad-based success in 2025-26, posting nine top-10 national finishes in earning a 17th-place showing in the Directors' Cup, tying their best finish since 2001. The Husker men's basketball program reached the NCAA Sweet 16 for the first time in school history, the Husker softball team reached the Women's College World Series for the first time since 2013, while the men's and women's outdoor track squads posted top-10 finishes in the same season since 2003.

Dannen has also positioned Nebraska at the forefront of the evolving collegiate athletics landscape. In January of 2026, Nebraska added its 25th sport with the addition of flag football. NU became the first Power Four Conference school to announce the addition of flag football, which plays its inaugural championship season in the spring of 2028.

In April of 2026, Dannen announced the most ambitious project undertaken in Nebraska Athletics history with the "Big Red Rebuild." The $600 million project will transform Memorial Stadium while honoring its storied legacy and usher in a new era of energy, access and year-round engagement. The redesigned stadium will offer improved access, seat comfort, enhanced sightlines, and upgraded amenities throughout the entire stadium when completed in 2028.

Nebraska has maintained its strong tradition of academic excellence, posting a 92% Graduation Success Rate in the most recent NCAA release. NU had 10 student-athletes earn Academic All-America honors, raising its Big Ten-leading total to 383, while 323 student-athletes earned Academic All-Big Ten honors in 2025-26.

Dannen has long been a leader in charting the course for the future of college athletics and that has continued in Lincoln. Dannen is in his second year on the College Football Playoff Selection Committee, continuing his impact on the national level, and has been active in Big Ten leadership roles.

During the 2024-25 season, five Husker teams finished in the top four nationally, as the volleyball program reached the Final Four, while the wrestling team posted its highest finish in school history with a national runner-up showing and had multiple individual national champions for the first time since 1984. The softball program won its first NCAA regional since 2014 while baseball repeated as Big Ten Tournament champions. After his arrival in Lincoln in March of 2024, Dannen's first spring featured a pair of Big Ten titles, as the Husker baseball team won the Big Ten Tournament, while the men's track team won the Big Ten Outdoor Championships. Both the Husker men's and women's track teams also posted top-15 NCAA finishes in the outdoor season.

Dannen has been a national leader during his previous stints as Athletic Director at Washington, Tulane and Northern Iowa. He served from 2021 to 2023 as a member of the NCAA Constitution Committee and the Division I Transformation Committee. He also previously served as chair of the NCAA Football Competition Committee and was an Executive Committee member of the Football Oversight Committee. In total, Dannen has served on seven NCAA committees. In 2022, Dannen was a finalist for Sports Business Journal's Athletic Director of the Year award, and he received the Distinguished American Award from the Sugar Bowl Chapter of the National Football Foundation.

Dannen came to Lincoln after serving as Director of Athletics at the University of Washington. He helped guide the Huskies' transition to the Big Ten Conference and oversaw a football program that reached the College Football Playoff National Championship Game in January of 2024.

He took over in Seattle in the fall of 2023 after eight successful years as Director of Athletics at Tulane University. While at Tulane, Green Wave student-athletes earned 49 All-America honors, a national championship, 21 conference championships and 41 postseason appearances.

In 2022-23, Tulane football won its first American Athletic Conference football championship and won the Cotton Bowl over USC, which was ranked ninth in the nation at that time. The men's basketball program won 20 regular-season games for the first time in two decades. Additionally, men's tennis advanced to its sixth NCAA Tournament in seven years, both bowling and beach volleyball finished ranked in the top 20, and baseball won the conference championship.

Tulane's football program participated in an unprecedented three consecutive bowl games from 2018 to 2020, winning back-to-back bowl games for the first time in 128 years of football at the University. In the classroom, Tulane student-athletes excelled at a high level. At the end of the 2022-23 academic year, over 68 percent of Green Wave student-athletes earned a 3.0 GPA or better, with a 93 percent Graduation Success Rate and a record-setting department Academic Progress Report of 992, with seven teams earning a perfect 1000 APR score.

Dannen spearheaded fundraising efforts and numerous capital projects at Tulane. He helped secure the largest unrestricted gift in Tulane Athletics history, an endowment gift that funded the operation of a new sport (sailing), and a $10 million lead gift for capital renovations, which was the second-largest gift in department history. In addition, marketing and licensing revenue grew four-fold, and in 2022-23, Tulane football, basketball and volleyball set ticket sales and revenue records. Under Dannen's leadership, the Green Wave Club Annual Fund grew by 40 percent in donors and 45 percent in dollars raised.

Increases in fundraising and major gift donors positively impacted capital project development and completion. A $13 million renovation to the Reilly Natatorium, home of the swimming and diving program, as well as $8 million in renovations to locker rooms and the sports medicine area inside the Wilson Center were completed in 2023. Dannen also oversaw construction of a new dining facility, weight room, basketball and volleyball locker rooms. Tulane also completed a $2.4 million academic center renovation and a $5 million television and digital production center.

Before taking over the Green Wave program, Dannen served eight years as the Director of Athletics at the University of Northern Iowa (UNI) from 2008 to 2015. During his tenure, the Panthers enjoyed success at both the conference and national levels, highlighted by an NCAA Sweet 16 appearance in 2010 by the UNI men's basketball team. During his eight-year tenure, UNI was recognized with 39 All-Americans, 13 Coaches of the Year and nine Missouri Valley Conference (MVC) Players of the Year. UNI football, men's basketball, women's basketball, volleyball and softball combined to reach 15 NCAA tournaments and 20 postseason berths during that stretch. For his efforts, Dannen was recognized as NACDA's FCS Athletic Director of the Year in 2014.

Prior to his time at UNI, Dannen served as the Iowa Girls High School Athletic Union's Executive Director for seven years, overseeing 400 high schools and 10 sports.

Dannen grew up on a farm just outside Marshalltown, Iowa, and graduated from UNI in 1989 with a degree in communications. He is married to Amy and has four children: Elizabeth, William, Emily and Holly.

MEDIA CREDENTIALS

Nebraska utilizes an on-line credentialing system. Directions regarding the application process will be sent to media members or can be accessed at Huskers.com/media. Out-of-state media can contact Assistant Communications Director Paige Potratz (ptrutna2@huskers.com) at (402) 429-7576.

As a general rule, working space in the Nebraska Football Press Box is allotted on the following basis: (1) writers from news outlets covering for same or next day publication; (2) radio personnel for broadcast originations; (3) press and TV working photographers; 4) official school student daily newspaper; (5) sports editors/reporters of Nebraska daily newspapers; (6) approved special coverage as space allows.

Visiting freelance and amateur photographers are not eligible for media credentials, except by approval of the Nebraska Communications Office.

MEDIA ACCESS

The game-day entrance to Memorial Stadium for the media is at the Media Gate 7 entrance on street level on the west side of the stadium (main lobby of West Stadium). The working press area is on Level 6 (Don Bryant Media Facility) with the photo and television deck on Level 7. Club and Suite levels are not open to the media or public.

Single-game media credentials can be picked up at West Stadium Lobby Media Will Call on game days, beginning five hours prior to kickoff (or 7 a.m. for 11 a.m. kickoffs). Those picking up credentials must show a photo I.D.

All credential holders (season or single game) must receive a wristband to accompany their credential in order to be admitted into Memorial Stadium. Bag check and tagging will occur in the West Stadium lobby.

MEDIA PARKING

Parking at Memorial Stadium is at a premium, with a limited number of spaces allocated to the media. Media parking is divided among several lots around Memorial Stadium. Early arrival is strongly suggested. No cars will be admitted to Lot 4 (South Stadium lot) later than 90 minutes before kickoff.

Each approved media outlet will receive one complimentary digital parking pass with a limited number of additional passes available for purchase ($40 each). All parking passes for the 2026 season will be digital.

WEEKLY PRESS CONFERENCE

On game weeks, Head Coach Matt Rhule will hold a weekly press conference on Mondays in the Hawks Championship Center media room.

Media may not provide live coverage of any press conference on any digital platform or website. The only live coverage that is permitted is live over-the-air television coverage.

A free, live video stream will be available on Huskers.com and on other social media platforms. Following the press conference, video will be made available to media members.

INTERVIEW POLICY

Beyond his Monday press conference, any other interviews with Coach Rhule must be arranged through the Communications Office at least one day in advance.

Nebraska players and coordinators are available for interviews in person on Tuesdays. Player interviews can occasionally be set up for other times with at least one day advance notice. All requests for player and coach interviews must go through the Communications Office. Tuesday press conference interviews with players and coaches should not be streamed live online.

No interviews are to be conducted in the Osborne Legacy Complex.

DAILY PRACTICES

During the season, practices are normally conducted in the Hawks Championship Center and on the Ed and Joyanne Gass Practice Fields northeast of the stadium. Practices are generally closed to the media and public.

Media arriving to conduct interviews with Nebraska players and coaches should arrive to the Hawks Championship Center interview area shortly before the end of practice.

Opportunities for media members to shoot photos and video of practice will be communicated to the media. As a general rule, these opportunities will only be during fall camp and not during the season. During open practice times, media are prohibited from streaming practice live and no interviews should be conducted during this time period. Media are also asked to refrain from live practice reports until after the conclusion of the open period. This includes social media, radio reports, video reports, etc.

POSTGAME INTERVIEWS

Nebraska's locker room is closed after games, both home and away, but Coach Matt Rhule and requested players will be available for interviews following a brief cooling-off period. Nebraska's assistant coaches are not available following games.

For home games, only coaches, players and staff members will be admitted to team locker room areas. Coach Rhule and requested personnel will be brought to Hawks Championship Center media room. Admittance to the interview area will be by media credential only. To access the room, media may use one of the following three routes.

1) If coming directly from the press box, you can exit West Stadium, walk around the north side of Memorial Stadium and enter at the Hawks Championship Center main doors

2) If exiting from the northeast corner of the field, media may exit the stadium at Gate 15, walk down the sidewalk to the front doors of the Hawks Championship Center and enter in that location.

NEBRASKA MEDIA SERVICES

3) When exiting the northeast corner of the field, media may also enter the red double doors near Gate 15, walk across the skybridge to the second floor of the Hawks Center and take the stairs down to the media room.

The Hawks Media Room will close approximately 90 minutes after the press conference has concluded.

For away games, the best available interview area will be used. Interview requests, home and away, will be taken by Keith Mann and the Communications staff at the end of the third quarter. Non-requested players making significant plays in the fourth quarter will be added as needed.

Nebraska players and coaches will not do interviews on the field after the game other than the national broadcast partners and the Huskers Radio Network.

The visiting locker room at Memorial Stadium is located underneath the South Stadium. The visiting team interview area is just off the main tunnel leading to the visitor's locker room.

Live coverage of any press conference on any digital platform or website is prohibited, including post-game press conferences, both home and away, with the exception of live television coverage. A live stream will be available on Huskers.com and video will be made available to the media following the press conference.

If media are planning to do live shots on the field after the game, they should make advance arrangements with the Communications Office, as well as contact Kevin Raguse in HuskerVision (402) 472-4645.

SIDELINE POLICIES

The Big Ten Conference maintains a strict sideline control policy in an effort to keep the playing area as safe as possible. All sideline photographers must have a photo vest and a photo credential, and both must be clearly visible at all times.

Once teams have arrived at Memorial Stadium, media members and photographers will be restricted to behind the end zones during pregame warmups through the Tunnel Walk.

Vests will be issued to media members with a photo credential who will be shooting still photos or video during the game. Vests will be available beginning three hours before game time in the press box.

Those individuals receiving a photo vest will be asked to sign a waiver concerning the usage of photos at the time they check out the vests.

Vests may be returned to one of four locations following the game: Nebraska post-game interview room, opponent post-game interview room, press box, photographers work area

The photographers work area is available on field level, just off the southeast corner of the playing field.

Media members without a photo vest with a working purpose on the field may access the sideline during pre-game and in the final five minutes of the game. Those without a working function on the field should remain in the press box. Special exceptions to this would include interviews with special guests on the field at halftime, quarter breaks, etc. All other media should work from their assigned location on Level 6 or Level 7.

Additional sideline policies include: (1) Only those photographers on assignment from a newspaper, website, magazine, television station or a participating institution, are given credentials. Each student publication may be limited to one press and/or one sideline photo credential. (2) Media outlets with same or next day publication will be given preference for sideline credentials (Special requests must be submitted to the Communications Director for review). (3) Assistants, equipment carriers, etc. will not be allowed on the sideline. (4) Photographers must display their credentials and vest at all times. (5) University personnel will be present on the sideline to ensure that all credentials are properly displayed. Those possessing bench credentials must remain inside the team bench area (between the 20-yard lines). (6) Photographers may not enter the bench area at any time, including warmups. (7) Photographers should not congregate in the writers' section of the media facility during halftime, during or after the game.

General Manager Jason Rathe and his staff oversee all sales and sponsorship fulfillment for the Playfly Huskers Radio Network.

Playfly handles the broadcast efforts for Husker football, volleyball, men's and women's basketball, baseball and softball. In addition, the Huskers Radio Network team produces Sports Nightly and Huskers Radio Network podcasts. Sports Nightly airs Monday-Friday evenings from 6-8 p.m. (central) year-round across the network. During the football season, Sports Nightly features a weekly football radio show with Coach Rhule and Husker assistant coaches.

In the state of Nebraska, WOW 590 AM and Boomer 1490 AM and 97.3 FM serve as Omaha affiliates. KLIN (1400 AM) serves as the Lincoln affiliate with KFGE Froggy 98 (98.1 FM) also carrying the football broadcast. KRVN (880 AM) is a powerful central Nebraska affiliate that reaches around the state. In addition, the network has several dozen locally based affiliates across Nebraska. All broadcasts are streamed live for free on Huskers.com and the Huskers mobile app.

Kyle Crooks (play-by-play), Damon Benning (analyst) and Jessica Coody (sideline, pregame and postgame) will anchor the radio coverage of Nebraska football. Crooks is in his second season with the Huskers Radio Network after eight years as Broadcast Coordinator and play-by-play broadcaster at the University of Florida. Crooks is the voice of Husker football while sharing baseball duties and serving as one of the hosts of Sports Nightly. In his time at Florida, Crooks worked on the radio network's football, men's basketball, baseball, softball and soccer broadcasts. Additionally, he broadcasted events for the SEC Network+ digital platform and became a voice for the 'College Football Game of the Week' on the National Sports Network.

Benning is his fifth season with the radio network. The Omaha native was a four-year letterwinner at running back for the Huskers and was a part of two National Championship teams. Benning, the 1996 Orange Bowl MVP, ran for more than 1,500 yards as a Husker and helped NU to three bowl wins. His media career includes a background in both TV and radio, including broadcast duties on the Big Ten Network and Nebraska Public Media.

Coody serves as the Huskers' sideline reporter and produces exclusive player and coach content for use on multiple Husker platforms. Coody, who co-hosts Sports Nightly, is in her sixth year with Nebraska after spending nine years with the University of Oklahoma in a similar role. THE BIG TEN CONFERENCE

Known as one of intercollegiate sports' most successful undertakings, the Big Ten Conference is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back more than 125 years to the Palmer House hotel in Chicago where, on January 11, 1895, Purdue President James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bona fide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the fundamentals of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing the membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, a name that was eventually incorporated in 1987.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were conducted at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

Coupling the academic goals set forth by leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915, the first award to demonstrate support for the educational emphasis placed on intercollegiate athletics. It is awarded annually by each conference institution to one male and one female student of the graduating class who have attained the greatest proficiency in scholarship and athletics.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of seven men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971, Jim Delany in 1989, Kevin Warren in 2020, and current commissioner Tony Petitti in 2023.

With nearly four decades of sports, business and media industry acumen, Petitti served as deputy commissioner and chief operating officer of Major League Baseball and president and chief executive officer of MLB Network. A 14-time National Sports Emmy Award winner, Petitti also held senior executive roles at CBS Sports and ABC Sports overseeing rights acquisition deals for a variety of sports leagues and collegiate and professional sports events, as well as leading in the creation of the Bowl Championship Series to determine college football's national champion.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all institutions.

The Big Ten Conference provides unmatched coverage with weekly games with six national broadcast partners, including FOX, NBC and CBS.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. Annually, the schools currently constituting the Big Ten Academic Alliance produce over $10 billion in funded research, doubling any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of the pioneering technology, where it approved country-wide testing in 2005.

In 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 2,200 live events across all platforms each year.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten on July 1, 2011. The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University. Maryland and Rutgers became official Big Ten members on July 1, 2014.

In recent years the Big Ten has worked to meet the educational needs of modern student-athletes to allow them to excel in all areas of their lives. In 2020, the conference announced the formation of the Big Ten Mental Health and Wellness Cabinet. The goal of the cabinet is to promote optimal mental health for Big Ten student-athletes through a comprehensive, systemic and interdisciplinary approach to establishing mental health programs, while also providing counsel, advice and expertise to the conference office.

The conference launched the Big Ten Equality Coalition in 2020. This group, which features student-athletes, coaches, athletic directors, chancellors, presidents and other members of the Big Ten family, has a stated goal of seeking tangible ways to actively and constructively combat racism and hate around the world, while also empowering student-athletes to express their rights to free speech and peaceful protest.

On June 30, 2022, the Big Ten Conference furthered its legacy of transformation when the Big Ten Council of Presidents/Chancellors (COP/C) voted unanimously to admit the University of California, Los Angeles and the University of Southern California to the conference effective August 2, 2024.

On August 4, 2023, the Big Ten Council of Presidents/Chancellors voted unanimously to admit the University of Oregon and the University of Washington to the conference effective August 2, 2024. Competition began in all sports for the 2024-25 academic year.
